Notes to the AGM notice

In light of the COVID-19 pandemic Shareholders are urged to exercise their votes by submitting their Form of Proxy and appointing the Chairman of the Annual General Meeting as their proxy. Shareholders and their proxies will not be allowed to attend the meeting in person, as to do so would be inconsistent with current government guidelines relating to COVID-19 (as published as at the date of this document), in particular the advice for people to avoid public gatherings, all non-essential travel and social contact. Any Shareholder seeking to attend the AGM in person will be refused entry. The Company is actively following developments and will issue further information through a Regulatory Information Service and/or on its website if it becomes necessary or appropriate to make any alternative arrangements for the AGM. The AGM will be purely functional in format to comply with the relevant legal requirements.

Should Shareholders wish to ask any questions which they may have asked at the meeting had they been in attendance, they are encouraged to contact the Company prior to the meeting by email to investorrelations@skinbiotherapeutics.com. Where relevant, the answers to questions received will also be made available on the Company's website <https://www.skinbiotherapeutics.com>.

Resolution 1 - To receive the Annual Report and Financial Statements

The Directors are required to present the financial statements, Directors' Report and Auditor's Report to the meeting. These are contained in the Company's Annual Report for the year ended 30 June 2020 (the "Annual Report"). A resolution to receive the Annual Report is proposed as an ordinary resolution.

Resolution 2 - Re-appointment and remuneration of Auditor

At each meeting at which the Company's financial statements are presented to its shareholders, the Company is required to appoint an auditor to serve until the next such meeting. The Board, on the recommendation of the Audit Committee, recommends the re-appointment of Jeffreys Henry. The Resolution also authorises the directors to fix the auditor's remuneration.

Resolutions 3-6 - Re-election of Directors

The Company's Articles of Association require that any director that has not been re-elected at either of the preceding three annual general meetings shall retire and offer themselves for re-election by shareholders. Notwithstanding this requirement, the Directors have determined that each of them will stand for re-election on an annual basis in accordance with recommended best practice and in line with the principles of the UK Corporate Governance Code.

Resolution 7 - Authority to allot shares

The authority sought by this resolution is for the Directors to be authorised to allot Ordinary Shares up to two-thirds of the Company's current issued share capital at the date of this notice. Paragraph (i) of the resolution will give the Directors a general authority to allot up to an aggregate nominal value of £519,633.07 being the equivalent of one-third of the Company's issued ordinary share capital at the date of this notice. This is in accordance with the Investment Association Share Capital Management Guidelines. In addition, the guidelines permit the authority to extend to a further third of the issued share capital, where any such shares allotted using this additional authority are in connection with a rights issue. Paragraph (ii) of the resolution proposes this additional authority be granted to the Directors.

The Directors are seeking the annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing its capital resources. The authorities in this Resolution will lapse at the conclusion of the next AGM or twelve months after the passing of the Resolution if earlier save for conditions set out in the Resolution.

Resolutions 8 and 9 - Authority to disapply pre-emption rights

Resolutions 8 and 9 are special resolutions which, if passed, will enable the Directors to allot shares in the Company, or to sell any shares out of treasury, for cash, without first offering those shares to existing shareholders in proportion to their existing shareholdings. In March 2015, the Pre-Emption Group published a revision of its Statement of Principles. In addition to restating the customary 5% limit on the issuance of shares for cash on a non-pre-emptive basis, the 2015 Statement of Principles introduced greater flexibility for companies to undertake non pre-emptive issues for cash in connection with acquisitions and specified capital investments. This relaxation allows companies the opportunity to finance expansion opportunities as and when they arise. The 2015 Statement of Principles provides that a company may now seek power to

issue on a non-pre-emptive basis for cash equity securities representing: (i) no more than 5% of the Company's issued ordinary share capital in any one year; and (ii) no more than an additional 5% of the Company's issued ordinary share capital provided that such additional power is only used in connection with an acquisition of specified capital investment. In line with best practice, the Company has structured its pre-emption disapplication request as two separate resolutions.

If Resolution 8 is passed, it will permit Directors to allot ordinary shares on a non-pre-emptive basis and for cash (otherwise than in connection with a rights issue or similar pre-emptive issue) up to a maximum nominal amount of £77,944.96. This amount represents 5% of the Company's issued ordinary share capital as at 03 December 2020 (being the latest practicable date prior to publication of this document). This resolution will permit the Directors to allot any such shares for cash in any circumstances (whether or not in connection with an acquisition or specified capital investment).

If Resolution 9 is passed, it will allow the Directors an additional power to allot ordinary shares on a non-pre-emptive basis and for cash up to a further maximum nominal amount of £77,944.96. This amount represents 5% of the Company's issued ordinary share capital as at 03 December 2020 (being the latest practicable date prior to publication of this document). The Directors shall use any power conferred by Resolution 9 only in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, (or which has taken place in the preceding six-month period and is disclosed in the announcement at the time).

1. As stated above, members will not be entitled to attend the meeting. A member may not appoint a person other than the Chairman of the meeting as his proxy to attend and vote at the meeting.
2. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001 and by paragraph 18(c) of The Companies Act (Consequential Amendments) (Uncertificated Securities) Order 2009, only those members entered on the Company's register of members not later than 11:00am on 23 December 2020, or if the meeting is adjourned, Shareholders entered on the Company's register of members not later than 2 days before the time fixed for the adjourned meeting (excluding non-business days) shall be entitled to vote at the meeting.
3. To be effective, the Form of Proxy must be deposited at the office of the Company's registrars, Share Registrars Limited, The Courtyard, 17 West Street, Farnham, GU9 7DR so as to be received not later than 11:00am on 23 December 2020, or if the meeting is adjourned, not later than 48 hours (excluding non-business days) before the time fixed for the adjourned meeting.
4. CREST members who wish to appoint the Chairman as their proxy by utilising the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by our agent Share Registrars Limited (ID 7RA36) no later than 11:00am on 23 December 2020 or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting (excluding any part of a day that is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent, Share Registrars Limited, is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
